

GA-0410KSW

Three (3) Piece Kit

Product Description

Uti-MATE Storage Starfire White 3-piece base cabinet kit with work top creates a great functional workstation – just add a comfy stool. Three Drawer Base Cabinets offer high-end designer styling, industrial strength, ball bearing drawer glides for smooth operation, adjustable feet for uneven surfaces and flexible storage space to meet your organizational needs. Included is a 1.5" thick Black MKDF work top with a recessed channel on top to keep small items from rolling off.

Modular cabinet line design offers flexibility to change and or add cabinets to your design at anytime. Unique Metallic Flake White/Pearl high grade PVC laminate over $\frac{3}{4}$ " MDF cabinet facings make this cabinet kit cabinet a must have and at retail savings.

Renderings of cabinets do not tell story on this beautiful color similarly used on high-end automobiles you see on the highway – vey elegant and modern – not another kitchen looking cabinet. Cabinet color also reflects light well for added brightness in dark storage area's like garages, basements, warehouse, etc.
